

New Student Referral Slip

New Student _____

Referred by _____

I value you as a student and would appreciate the opportunity to help your friends and family members achieve their musical goals with the same level of commitment that I have to you. Let me know if someone you know could benefit from voice lessons with me.

It's simple. Refer a friend, and you both receive a \$5.00 lesson credit. Refer 1 or Refer 10!

A Few Rules:

- To participate, you must be a current Smith Voice student.
- The friend that you refer must actually sign up for and take voice lessons from me.
- The friend that you refer must be a new Smith Voice student (someone who has never taken voice lessons from me).
- The friend that you refer must bring this referral slip with them at the time of their first voice lesson.

Thank you for helping me find additional, fantastic new students!
